Customer Provider Edition

With ClickLearn, you can simplify your customer onboarding process by providing them with the knowledge they need to be successful when they need it.

Unmatched scalability

Effortlessly scale your training efforts and save on Customer Support resources by providing your customers with standardized instruction manuals for the software you provide.

With a library of consistently up-to-date instructions on basic functionalities, your support teams can focus their time on providing strategic guidance and project mapping to ensure customer success and longevity.

Learning on-demand

With Self-Service Learning, you can empower your customers to independently explore and learn at their own pace, decreasing reliance on customer support teams and increasing overall satisfaction.
